ONSOLVE

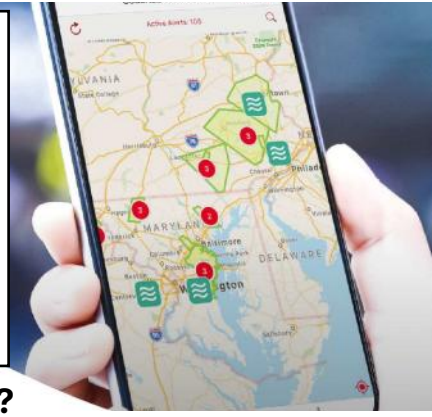
CODERED

What is CodeRED??

CodeRED is an emergency notification system to help keep our residents safe in the event of an emergency. Alerts are sent by mobile app, SMS text, email and more.
As a resident of Old Tappan visit the website to register to receive emergency alerts. Residents can also download the CodeRED app to receive alerts directly to your smartphone.

Why is CodeRed important to me??

CodeRED will help you keep informed and prepared for any emergencies that may occur in our area. This system is precise enough to geotarget residents within an exact area of impact, so that only those people who are affected by an emergency situation will be notified.



How do I sign up?

Visit the website and create your profile to enter the required information online (address, name, phone number(s) and email). This is the quickest way to sign up because the information you supply is immediately registered in the system.
Use the QR code provided or visit the following link:
https://accountportal.onsolve.net/boroughofoldtappannj

Is there a Mobile app?

CodeRED offers a mobile app for Apple and Android devices. All residents and business owners are encourage to download the free app to receive alerts based on the geo-location of your phone. As you travel throughout other CodeRED communities, you can received important alerts that include community, emergency and severe weather information.
