

BERGEN COUNTY UTILITIES AUTHORITY

PRESENTS . . .

Backyard Compost Bin Sale

Sunday, April 3, 2011 in Paramus

Composting is nature's way of recycling!

Are you interested in composting?

The BCUA will hold a one-day compost bin sale on **Sunday, April 3, 2011** to promote composting which helps residents care for the environment in their own backyards while reducing the amount of waste going to the landfills.

The sale will be held, while supplies last, at the **Bergen County Community Services Bldg., 327 East Ridgewood Ave., Paramus, NJ** between the hours of **9:00 a.m. and 2:00 p.m.**, rain or shine.

At the event, individuals can purchase an Earth Machine™ home composting bin for only **\$53.00**; the bin retails for over \$100. **No credit cards accepted.** Other composting items will also be available for purchase.

The Earth Machine™ can be used to compost fruit and vegetable scraps, crushed eggshells, tea bags, coffee grounds and filters into mulch for your lawn and garden. Compost creates a rich, all natural soil nutrient for landscapes, gardens, and houseplants. Compost also enhances soil's ability to retain moisture and can reduce your reliance on chemical fertilizers.

CAN'T ATTEND? Compost bins are also available Mon-Fri at the BCUA by appointment only. Contact the BCUA Environmental Programs Hotline at (201) 807-5825 to schedule an appointment or for more information.

This program is available to Bergen County residents only. Proof of residency is required.
