Good morning friends and neighbors,

This past Saturday morning, the first rainless Saturday in six weeks, was the ideal day for the children to gather at Oakes Park for the annual Halloween Day Parade. Followed by more festivities in the afternoon at Stone Point Park with our rain delayed Town Day Celebration. Town Day, an ever-expanding annual tradition, was enjoyed by a huge crowd of families that enjoyed everything from a petting zoo to carnival games and rides. A fun time was had by all.

Welcome Home Stephan! Thursday was an exciting day when the town welcomed home 14-year-old Stephan Wiklinski after spending 19 weeks in the hospital and in rehab recuperating from a serious bicycle accident.

On a Borough business note, a proposed ordinance is up for final action at the Mayor & Council meeting on Monday, 11/6, at 7:30 P.M. Ordinance #1243-23 restricts parking to one side of the street on Howard Drive and the adjoining neighborhood streets. The cause that has prompted this suggested action is due to the dangerous traffic congestion created by the many sporting events held at the Northern Valley Regional High School. The congestion hinders access to homes by emergency services equipment. The public's input is invited and encouraged at this important meeting.

Finally, pray for peace, drive safely, turn your clocks back one hour on Saturday night, remember to VOTE on Tuesday, remember to celebrate and thank our Veterans on Veterans Day and have a very Happy and Healthy Thanksgiving.

Sincerely,

*John M. Kramer*
